# RECOVERY

The Recovery Course is open to men and women struggling with addictions to drugs, alcohol, porn, sex, gambling, food, self-harming and other related compulsive behaviours. Its purpose is to help individuals on the path to freedom from the grip of an addiction.

It is a 16 week course where we work through the 12 Steps of Alcoholics Anonymous with a Christian perspective. 100's of people have benefited from the course, some headed for full recovery, others making substantial steps. It has proved a good place to start for those new to recovery and equally helpful for those who have been working on recovery for years and are ready to take a fresh look.

It will start on the 15th October, meeting Monday evenings, 7.00pm - 9.30pm at the Warehouse, St John's Hampton Wick, KT1 4AL.

For more information or to register interest go to [st-stephens.org.uk](http://st-stephens.org.uk) or [stjohnshamptonwick.org](http://stjohnshamptonwick.org) and click on 'Courses'.

**The Recovery Course is being hosted by St Stephen's Twickenham and St John's Hampton Wick with the support of 10 or so other churches in the area.**
